500 lm

### LED Headlamp

The FR400 K-Light is equipped with the powerful COB LED technology. Lightweight and waterproof, it's built for demanding work environments.

Thanks to its sensor function, it can be turned on/off with a simple double hand gesture in front of the lamp to avoid involuntary activation.

The lamp head can be detached from its holder. A magnet is also integrated at the back of the lamp. Its ergonomic design, aluminum front housing, and non-slip headband provide comfortable positioning.

### Contents

A headlamp FR400 K-Light  
3 AAA 1.5V Alkaline batteries
