## Tactical Rechargeable Flashlight

The TR10K K-Light is a high-performance flashlight designed for inspection and tactical missions, featuring a variable focus and multiple operating modes to suit diverse lighting needs.

Powered by two 4,000 mAh 26,650 Li-ion rechargeable batteries, it offers up to 6 hours of runtime on low output and can be conveniently recharged via USB-C.

Built for durability, the K-Light is also water-resistant, making it reliable in a wide range of environments and conditions.
