## Rechargeable Mini Flashlight

The K-Light TR520 is an ultra-compact, high-performance lamp equipped with a CREE XT-E LED. It features an integrated micro USB charging port built directly into the battery for added convenience.

Constructed from black anodized aluminum, it's lightweight and durable. Its slim design and pocket clip make it perfect for everyday carry.

The lamp is waterproof and shockproof up to 2 meters, making it ideal for rugged, all-weather use.
