EVENT LIGHTING

#WeAreAirstar

Airstar is the inventor and leading manufacturer of inflatable lighting solutions.

Over the last 30 years, our balloon lighting products have been adapted to meet the needs of a variety of industries from events and film to rescue operations and construction safety.

Our products not only look beautiful, they also produce a light quality that cannot be duplicated by traditional lighting systems.

The creativity and flexibility of our lights have earned us a strong reputation for innovation and dependability.

UNIQUE

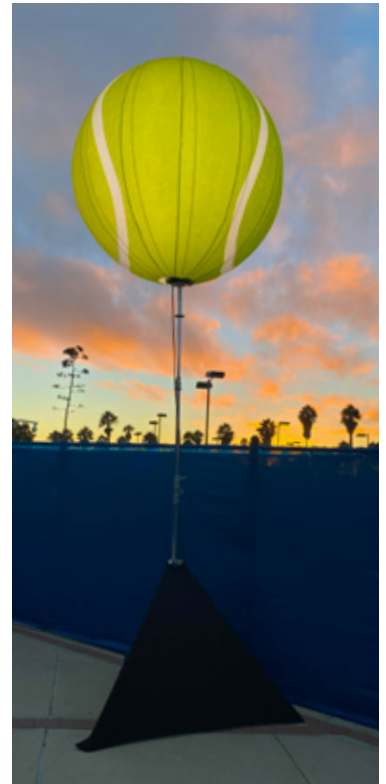

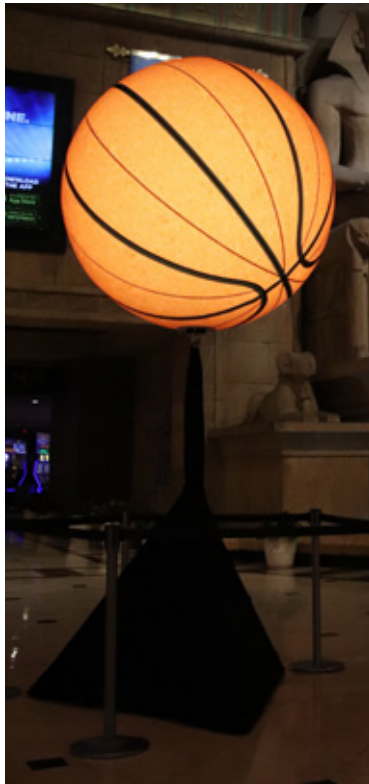

PRODUCTS

A man in a red polo shirt and dark trousers is captured in the middle of a golf swing on a golf course. He is holding a golf club with both hands. In the background, a large white umbrella is mounted on a stand. The scene is set during sunset, with a warm orange glow in the sky. A white tent is visible behind the umbrella. The overall atmosphere is professional and focused.
